LOOKING GLASSES

are frequently wanted for
temporary use and at times
when expensive ones are not
needed. We have some cheap
ones in White Enamel Frames
that will answer the purpose.

AND WE HAVE

some of the richest Cut
Glass ever seen in the country.
Genuine English Cut with
burnished gold rims which
relieve the monotony.

IN FINE CHINA

there's Biscuit Jars and
Cheese Plates that are of
greater service than one would
suppose at first thought. They
keep crackers and cheese fresh
when other means are dismal
failures. These articles are
reasonable in price.

RUBBER HOSE

is needed in all kinds of
weather and while we have
light showers nearly every
day there are times when the
soil needs irrigating. And
when you have a hose look
to the life of it and add to
it by the purchase of a

HOSE REEL

It's the dragging of the hose
over the walks that kills it;
once the covering is worn it
begins to crack and your hose

A TERRIBLE CASE OF ECZEMA

CURED BY

Ayer's Sarsaparilla

Mrs. H. Wyatt, of Fort Road, West
Hialeah, So. Australia, writes of
the sad condition of her little daugh-
ter, whose portrait she also sends:

"My daughter was afflicted with
Eczema of the most aggravated
type. The disease first appeared in
eruptions on her head, then her hair
began to fall out, and in spite of
the best medical advice and treat-
ment she grew steadily worse. The
sores were full of matter and were
extremely offensive. Her eyes be-
came affected, and she was, in truth,
in a terrible state. My neighbors
were very sympathetic and took
great interest in the case. They
persuaded me to try Ayer's Sarsa-
parilla, and I am most thankful to
be able to say that this wonderful
medicine completely restored my
daughter's health. She has now as
good a head of hair as anyone could
wish, her eyes are perfectly well,
and she is a fine girl of eight years
with every prospect of growing up
to be a strong and healthy woman."

BULLETIN'S HILO LETTER

ICE AND COLD STORAGE PLANT ON
THE GROUND.

Invitation to a Hard Times Party—
Help for the Band—Social Notes
—Volcano.

The bark Annie Johnson, Capt.
Matson commander, arrived at Hilo
Sunday, Oct. 11, just 11 days from
San Francisco. She had a full
cargo of merchandise for our Hilo
merchants, also horses, mules,
cattle, etc. Among the passeng-
ers were W. Davis, Mrs. M.
Woodruff and two daughters, Jas.
Cowan, Mrs. Plunkett, R. Woods
and F. Brughelli. The Annie
Johnson is one of the fastest
sailers between Frisco and the
Islands.

By the Annie Johnson came
the machinery, lumber, etc., for
the construction and completion
of the Hilo Ice Works and Cold
Storage, which will adjoin the
Electric Light Works on Pitman
street.

The following unique invitation
has been issued to the members
of the Hilo Social Club by Miss
Ellen Lyman:

The invitations are written on
brown wrapping paper enclosed
in an envelope of the same ma-
terial which is significant of the
intention to have a hard times
party.

The S. S. Kinau arrived in port
Saturday with a full list of pas-
sengers, tourists for the Volcano
and a cargo of merchandise. She
sails Thursday morning at 10
o'clock.

The Hilo Hotel will be opened
on Friday by Mrs. L. T. Grant,
who will renovate and refurnish
the entire house.

Specifications for the construc-
tion of Puna and Kaumana roads
are at the Telephone office for in-
spection.

When the Kaumana road is
completed Hilo district can boast
of having nearly thirty miles of
paved road. Then it will be easier
riding than walking.

A type written subscription is
being circulated about Hilo re-
questing the people to subscribe
certain amounts monthly, to de-
fray the current expenses and to
assist the band boys to purchase
new instruments and uniforms.
A great many have already affixed
their signatures for large amounts,
so that shortly we expect to see
the band boys clad in new suits
and playing sweet week day notes
through their new instruments.

Tourists and sightseeing island-
ers who are sojourning at the
Volcano House report Kilanea
very active. Those who witnessed
the fire in '93 say the lake is act-
ing in the same manner as it did
at that time.

Mrs. Saddler of Hakalau has
returned to her home after a two
weeks' stay in Hilo, where she
was visiting friends and relations.

It is reported that those who
are literarily inclined can soon
purchase a book written by a
young Hilo author.

Miss Hill is now teaching
school at Haahoe beyond Wai-
naku.

T. Wolff of Phillips & Co. left
this morning for the volcano.

W. W. Goodale is home after a
trip to the States.

Mrs. Plunkett of Oakland, Cal.,
is visiting her daughter, Mrs. R. B.
Williams.

On Friday night, Oct. 16, the
Hilo band will give the second
dance of a series of six at Spreck-
els' hall.

On Wednesday last the Misses
Rose entertained a few friends at
an old time Hawaiian luan. The
affair was in honor of and a com-
pliment to Mesdames Coney, Ha-
alelea and Monsarrat. These lad-
ies were also entertained by the
Richardsons, Hapais, Lymanas, Wil-
fongs and others during their visit
to Hilo.

Anyone entering the Anchor

quail, grouse, etc.—which deco-
rates the bar. They are all stuffed
as you will be, with rich, nourish-
ing beer, cold and clear, and with
the palatable viands of the lunch
counter. The Seattle beer, fine
wines and liquors are of the best
quality and always fresh. Every
